

SPECIAL VETERANS DAY TRIBUTE -- 'Plan Your Flight & Fly Your Plan' AND 'WWII Operation Argument'

In this 2-Part program, Ray Hecker will first use the AOPA ASI Flight Planner as a reference guide to discuss the steps that we, as General Aviation pilots, should take in preparation for each of our cross-country flights, to ensure that we complete those flights safely.

The second part of the program is a historical tribute to the dedicated members of the USAAF 8th and 9th Air Forces who, just prior to the D-Day Invasion, executed the 6-day Operation Argument to attain the beginning of "Air Superiority" over Germany.

Directions: On Sand Canyon Avenue between the 5 and 405. Corner of Sand Canyon and Waterworks Way. Turn LEFT after entering parking lot from Sand Canyon. If entering from Waterworks Way, continue through parking lot to SECOND building. Follow signs to Community Conference Room in 15500 Sand Canyon building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
